School Uniform

As the weather starts to cool down children will start wearing their jumpers to school in the morning and it is probably a good time to remind parents to label all clothing. Our school jumper is royal blue and these can be purchased at places like Big W or Lowes in town. Children can also wear royal blue track pants and girls can wear royal or navy blue stockings under their skirts.

SES Wear Orange Day

Thank you to all of the SES volunteers who came to school today to put on a free BBQ for our students. The visit by Paddy Platypus was very exciting and the SES crew were very generous in providing goodies and colouring competition prizes for our kids.

Thinking of you Jess!

Spare a thought for Jessica Martin who only returned to school yesterday after two weeks away with a broken leg. Whilst negotiating the stairs with her crutches she has fallen and broken her wrist. I'm sure you all join me in wishing her a speedy recovery.

You can do it

Children have been learning about, and receiving recognition for, the positive behaviours of; Getting Along, Persistence, Confidence, Organisation and Resilience as part of our 'You can do it' program. Periodically, information will come home about each of these five 'keys' to success. Please discuss these with your children and ask them about what each means. It has been very encouraging hearing even our youngest students using this kind of language at school and identifying others who display each in the classroom or playground.

PSSA Soccer

Training commenced last Friday for our soccer match against Lawrence to be held on June 2nd. Phillip and Paula Clausen are training the team on Friday mornings and they are having some additional runs during lunch times. Please return permission notes ASAP so that I can arrange transport. The \$1 fee is to pay for our referee.

Cheers,
Andrew
