Principal's message

Athletics Carnival

Tomorrow is our school athletics carnival. Our carnival is for everyone from Kinder to year 6 and if you have pre-schoolers; bring them along too! A canteen will be operating (price list went home yesterday) and the P&C are asking parents to supply a cake or slice to sell. Last year the P&C raised over \$400 at the athletics carnival – all of which goes back to your children. Even if it is raining tomorrow morning, children should come along ready to run. They are able to wear any clothes comfortable for running in tomorrow. If wearing a tank top to run in, they need a shirt to put over it afterwards.

Old School Day

Friday, July 1st is the last day of term and as such is also Old School Day. I know many kids and parents have been busy building billy carts to run down our hill onto the playground. Just remember – a helmet must be worn and no power other than gravity allowed! Don't worry if your child does not have a billy cart, there will be plenty and I'm sure other kids won't mind sharing. Old school day will also involve cubby building and whip cracking and most likely a sausage sizzle.

Premier's Reading Challenge

We have some children at school who have already completed up to 100 nights of reading this year and received their certificates for bringing in their reading diaries. Reading each night is one of the easiest and most beneficial things a child can do to improve at school. It only takes 15 minutes. In order to successfully complete the Premier's Reading Challenge children need to have read for 75 nights before August.

Student reports

Student reports go home on Monday. Can I ask that parents sit down and read their child's report with them. Make sure you find something in their report you can praise them for – usually the application of honest effort or an improvement. Also, if there is something that needs improving, discuss ways they can do this and maybe how you can help. Parent interviews are being held next Tuesday and Wednesday should you wish to discuss your child's progress. Please note: a 'C' grade means your child is performing within the expected range for their grade. Anything above that means they are performing beyond what is expected for their grade.

Cheers, Andrew

COMING EVENTS

June 17	Athletics Carnival TOMORROW CANTEEN WILL BE RUNNING ALL PIES \$2.50
June 20	Half Yearly Reports go home
