Principal's message

AFL Gala Day

Yesterday I had the pleasure of taking 21 of our primary students to Grafton to participate in a Small Schools AFL Gala Day. Our children made up part of a 300 strong group of kids who spent the day playing modified touch AFL games under the guidance of North Coast AFL development staff and members of the Grafton Tigers AFL club. The improvement from the start of the day until their last games was incredible and all the kids have told me what a blast they had. They were required to play in mixed up teams with kids from other schools and many new friendships were made this way. Our girls really impressed me with their enthusiasm, which may have also been due to teams in the senior division being split into boys and girls. Once again they all behaved well and we received compliments from other staff and even our bus driver on their manners and behaviour. Well done kids!

New building arriving!

Our new classroom arrived today. Over the next few weeks it will be hooked up to power, data and water. We have already purchased a new LCD touch screen which will be installed and the classroom will come already furnished. It will be all fully resourced to accommodate our new class at the start of next term

Netball Trials

Our three senior netball players; Piper, Aiyana and Isabel, are going to Westlawn Public School tomorrow to compete for a place in the Clarence Valley Primary Schools netball team. We wish them all the best.

Absentee notes

I'd like to remind parents that if your child is absent from school, a note needs to accompany them when they return. At the very least, phone the office and let Rhonda know the reason for the absence. It is a legal requirement to send children to school each day unless there is a valid reason for their non-attendance. Unexplained absences are recorded, as are those deemed 'unjustified'. Too many of these absences may lead to intervention from the Home School Liaison Officer and in some cases, prosecution of parents. I don't want this to happen to our community so please simply send a note in or phone Rhonda when your child is away.

Cheers,
Andrew
