Principal's message

Our new classroom in the making!!

New Building and classroom 1

2

3

Our new classroom arrived last Friday and it is a beauty! We are just waiting for it to be fitted out with new carpet, data cabling, plumbing and electrical fittings. Thanks to all our students who were very safe and sensible whilst there were trucks and heavy machinery operating in and around the school. Next term we will go from 3 to 4 classes with our newly formed 2/3/4 class to inhabit the new classroom with Mrs McGarvie.

Netball trials

Last Friday, Isabel, Piper and Aiyana participated in the Clarence Valley Primary Schools Netball Trials held at Westlawn Public School. Well done to these girls for trying out and representing our school admirably. Congratulations to Aiyana Death who was successful in gaining selection in the Clarence team. Aiyana now goes to Woolgoolga today to compete for a place in the Mid North Coast Primary Schools Netball Team. We wish her all the best.

Toys at school

Many children like to bring toys from home to play with their friends at school. Please be aware that toys brought from home are your child's responsibility and therefore anything really precious would be best left at home. It is lovely for our children to share their toys and most of the time this causes no problems, however it is important that children only take their own toys home at the end of the day. Please help us to reduce the tears at school by reminding your child of this. Whilst on the subject of toys – fidget spinners! Yes they are allowed at school but not in classes. 'Experts' may claim that they help with anxiety, maintaining attention, concentration etc, etc but I am very doubtful.

P&C meeting

This month's P&C meeting is being held next Tuesday, June 13th in the staff room at school, commencing at 6:00pm. All welcome. The P&C are catering at a clearing sale at Upper Copmanhurst this Saturday. Thank you to all the volunteers who have already indicated they will be available. All money raised goes towards supporting all children in our school.

Golden key award winners

Congratulations to Nick, Caitlyn, Brock, Rick, Seremi, Layla, Dakota, Levi and Matthew who have received their Principal's Award and golden key as part of our 'You Can Do It' program. These students are off to McDonalds for lunch this Friday with me as a reward for their efforts.

**Cheers,
Andrew**
