### Principal's message

#### Athletics carnival

Our school athletics carnival is on at school this Wednesday, June 28<sup>th</sup> commencing around 9:30am. We will be joined by students and staff from Baryulgil Public School. Students will participate in track and field events and there will be food available with our P&C running a BBQ and cake stall as a fundraiser. Pre-school aged children are welcome to come along and join in the minor events. Children are to wear comfortable running clothes and sneakers. Don't forget a hat!

#### Old School Day

The last day of term two is this Friday and as is our tradition, we will be having an 'Old School Day'. Old School pretty much means no technology and we are outside for the whole day. Kids can build cubby houses crack whips and play outdoor games. We will be having stew and pasta cooked in camp ovens in the fire for lunch. This doesn't cost anything but if your child can't eat beef and vege stew, garlic bread or bolognaise and pasta, it might be best to send them with a sandwich. Children will need to bring their own recess and should wear clothes that are comfortable and can get dirty. Don't forget a hat!

#### Spelling Bee

Well done to Aiyana, Dane, Alana and Reagan who competed at the Clarence Valley Spelling Bee in Iluka last Thursday. From all reports, our students represented our school very well and made their best efforts at spelling some pretty difficult words. An extra mention needs to be made of Aiyana and Reagan who made it to the third round of the knockout competition. Thanks very much to Iluka Public School for hosting the event.

#### Chooks

Thank you to our regular group of parents and kids who ensure our chooks have food and water over the holidays. If you are passing through the village over the holidays, please check on the chooks and top up their food and water if necessary. Help yourself to any eggs. They would also appreciate any scraps you may have.

#### LMBR

This is an acronym for Learning Management Business Reform and it is the new administration system our department will be using. The trial of LMBR has been happening in schools for about 6 years and it is being implemented on the North Coast this year. It will involve Rhonda undergoing 15 days of off-site training and me receiving 5 days. LMBR will streamline many of our current systems and include new facilities such as an EFTPOS outlet at school. We are currently 'migrating' information from our present system into LMBR and I would ask that parents are patient if there are any 'glitches' over the next 20 or so weeks as this change occurs.

#### Return to school – Term 3

Have a safe and enjoyable holiday. School resumes for all students on Tuesday, July 18<sup>th</sup>.

Cheers

Andrew

# SCHOOL NEWS
