Principal's message

Cross country

Tomorrow is our Cross Country race which will be held at the Rodeo Grounds. Children will walk from school and will need to wear comfortable running clothes and shoes and a hat. They will also need to bring a water bottle. Parents are welcome to come along and I will need a few adults to help 'guide' the children around parts of the course. We will look at starting about 9:30am with a walk of the course.

Headlice / Nits

I can hear the collective groan from parents as they read the above heading. A responsible parent has let me know that she has recently treated her child for headlice. This means it would be a good time for all families to do a 'head check' and if necessary treat children's hair and bedding for headlice. There are many different products available at the chemist but unfortunately I can't recommend them as I haven't used any for obvious reasons.

Uniforms

Well done folks! Every day I look out over the whole school at morning assembly and every child is in school uniform. I don't know if this happens in all schools but I am thankful to all of our families for ensuring our kids look great in their uniforms each day.

You Can Do It awards

As part of our You Can Do It program, children have continued to receive recognition for Getting along, Confidence, Organisation, Persistence and Resilience. We have 4 children who have received their Principal's gold key recently who will be having lunch in town with me next week. They are: Luke, Troy, Shacorah and Marcus.

ANZAC Day

Next Thursday we are holding our ANZAC service at the hall after the concert at 11am and a note with details was sent home yesterday. In addition, the Grafton RSL sub-branch and interested locals are holding an ANZAC commemoration at the cenotaph on ANZAC Day, April 25th. There will be a dawn service at 5am followed by breakfast at the pub for \$10pp. A main service will then be held at 10am and lunch will be available at the pub for \$10pp. If you are able to, please attend and bring your children in school uniform to either or both services.

Coles sports for schools

Thank you very much to everyone who has been collecting and sending in their Coles vouchers. I think at last count we had about a squillion of them. If you still have some at home please send them in A.S.A.P. Once we have our final total the kids will be able to look through the sports catalogue and select some sporting equipment we can fill our new container with.

Cheers,
Andrew
