Principal's message

League Tag Gala Day

Next Friday, all students in years 5 & 6 will travel to South Grafton to compete in the Small Schools League Tag Gala Day. This has been organised by our Northern Division NRL development officers who have been coming out to school for the past three Monday afternoons to provide free training sessions for the kids. League tag is very similar to touch football but instead of touching the opposition player, players take one of two tags hanging from a belt on their waist. It is great fun for boys and girls of all ages. Students will be bussed to and from McKittrick Park in South Grafton for the day. Notes to come home soon.

School Photos

Our school photographer will be here on Thursday, September 13th to take our school, class, individual and sibling photos. Please ensure you return the envelope that was sent home if you intend ordering photos and remember that the school can not cover the cost for parents wanting to pay later. This must be taken up with the photographer. Photos are taken in full school uniform minus the hat.

Welcome new students

In the past fortnight we have welcomed three new students to our school. Nathan (yr 6), Harley (yr 4) and Saxon (yr 3). We hope that they are soon settled into their new school and everyone makes them feel welcome.

Sporting equipment

Do you remember collecting the Coles Sports For Schools vouchers? Thanks very much if you did, the sporting equipment we received due to this has arrived at school this week. We now have a huge new supply of tennis racquets, soccer balls, basketballs, netballs, tennis balls and infants games equipment for our students to enjoy. Our sports container is very well stocked at the moment with this newest delivery adding to the equipment we have already received as part of our involvement in the Sporting Schools Grants program and Premier's Sporting Challenge.

Lunch Tables

A big thank you to Mr Watts our general Assistant who has been restoring our timber picnic tables that we use in the lunch area. With new timber and fresh paint, these are looking like new. Thanks Alan

Lake Ainsworth

A packing list and the link to the permission / medical note has been sent home. The link can also be accessed through our Facebook page. Students in Years 5 and 6 are starting to get excited with camp less than four weeks away!

Cheers,
Andrew
