Principal's message

CSI

Students in Years 4 and 5 were given a note to take home regarding the Clarence Science Initiative (CSI) which is a science enrichment program run at South Grafton High School for students in Years 5 and 6. An information evening is being held tonight at South Grafton High for parents of prospective students. If you wish for your Year 5 or 6 child (2019) to participate please let me know.

School Hours

Please note that our school opens at 8:30am for students. No student should be at school before this time unless a prior arrangement has been made with me. After school, children are not to be in school grounds unless accompanied by a parent. Children are allowed to play tennis after school if they have a parent with them (not older sibling) and only if parents have notified the school beforehand. Last Friday after school there were children on the roof of the school and on Monday there were children in a classroom who had returned to school long after school had finished.

League Tag

Tomorrow all year 5 and 6 students will travel into South Grafton for a Small Schools League Tag Gala Day. This is the culmination of the Sporting Schools Rugby League program we held at school in term 1 and the League Tag sessions conducted by NRL staff at school over the past 4 Monday afternoons. Please note that there will not be a canteen operating at the ground tomorrow.

School Photos

Don't forget to send your photo ordering envelopes in to school prior to photo day which is next Thursday.

Old School Day

As our senior students and I will be away on camp at the end of term, we have decided to hold our Old School Day earlier. We are looking at Tuesday, September 18th. The usual Old School Day activities will be enjoyed including building cubby houses and cooking on the campfire. We might even have a sausage sizzle to raise money for the farmers. A note will be sent home in coming weeks with all the details.

Cheers, Andrew

THOUGHT FOR THE DAY

When one door of happiness closes, another opens, but often we look so long at the closed door that we do not see the one that has been opened for us!!
