Principal's report

Cross country races

Today we held our annual school cross-country races for all children K-6. Thank you to Ms Parnell and Mrs McGarvie for organising the day and the weather! Congratulations to all of our champion runners and to everyone who gave their best effort today. A note will go home shortly with children who have qualified to compete at the Small Schools carnival on Friday April 12th at Junction Hill. Thanks to all the parents, grandparents and friends who turned up to support the kids. Thanks Terri and Heather for the cordial and fruit!

Golf course visit

Tomorrow is the final day of our Sporting Schools Golf Program and so we are going into the Golf Course at South Grafton to play on the real greens and fairways! The kind folks at South Golf Club are kindly providing the kids with a sausage sizzle lunch as well. Notes have been sent home and most returned. If you haven't returned yours yet, don't forget to send it tomorrow. Kids will need to wear school uniform including hat, and bring a water bottle and recess. If your child doesn't eat sausage sandwiches they will also need lunch. Please note that our whole school is attending this excursion and there will be no classes back at school.

Senior Citizens Concert

Next week we celebrate Seniors Week with a concert at the hall starting at 10am. Parents and friends, who are not seniors, are also invited to our concert as it is a Seniors and Community concert. We ask that each family send along a plate of cake, slice, sandwiches etc to share for morning tea afterwards. Hope you can make it.

Red Rock Camp

Our primary students (3-6) are going to Red Rock for an overnight camp next Thursday with Mrs Watts, Mrs McGarvie and myself. If you haven't returned your child's permission note and \$30, please do so before next Thursday. This weekend would be a good time to get the tent out and check it has everything; pegs, poles etc if you are bringing it to camp. Go through the packing list and check that you have everything. Usually it is plates and cutlery or towels that are forgotten! Children will need to bring recess and lunch for Thursday.

Term 1 attendance

A check of our Term 1 attendance has shown that generally our student attendance has been excellent with no student's attendance falling into the 'causing concern' category. We do however have quite a number of unexplained absences and this can be avoided by simply sending a note in after your child has been away from school or phoning the school to let us know. Congratulations to the following students who have not missed a single day of school this term: Jeffery, Lilliana, Tyler, James, Michael, Biana, Sophia, Georgia D, Jasmine, Wroxtton, Jacob, Olivia F, Lacey, Jye, Emily F and Brodie.

Cheers,
Andrew
