Principal's report

Presentation Night

With the easing of restrictions we are able to hold our annual presentation night this year. Obviously we can't hold it in the hall so we are going to hold it at school, outside on the oval on **Thursday, December 10th**.

Our P&C will be catering before the presentations begin and will be serving roast beef rolls, hotdogs, poppers and soft drinks from the canteen. A price list will come home shortly. This will all begin at 5:30pm with our presentation night starting at 6:30pm.

Please consider having dinner at school as this is a P&C fundraiser that will replace the usual raffle we run at this time of year.

The children will be seated on matting on the ground whilst waiting the perform and parents are asked to bring fold-up chairs and sit 1.5 metres away from non-family members. We will be asking all adults to register by providing their name and contact number and there will be hand sanitiser available.

As this is a school event, being held on school grounds, alcohol and tobacco are not permitted.

Final week arrangements

The final week of the school year is only three days long: Monday December 14 – Wednesday December 16th.

As in previous years these days are filled in with fun activities and an excursion. Here's what it will look like:

Monday – Class clean ups, in class fun activities and a 'colour run' after lunch.

Tuesday - Rotational group activities including cooking, Xmas craft, waterslide and games.

Wednesday – Whole school excursion to the Solitary Islands Resort at Wooli to use the pool, water park and jumping pillow (lunch and recess provided).

Participation in the colour run and Wooli excursion is very much determined by the behaviour of students.

This term there have been a number of students miss out on going on excursions due to poor behaviour.

Activities like the colour run and Wooli excursion are rewards for our students' behaviour and children who do not choose to follow our school rules between now and the final week, will not be rewarded. Please stress this with your children. We want all children to participate and have fun - but it is up to them.

Student reports

Classes are currently involved in assessments in preparation for the writing of our end of year student reports. These will be coming home to parents on **Monday, December 14th**.

Cheers,
Andrew

SCHOOL NEWS

CANTEEN: TERM 4

Nov 30th Tanya Amiet & Emma Farmer

Dec 7th Jess Fahey & Lucy Ellem

Please contact Rhonda 66473121, if you are unable to come on your rostered day.
