Clean – Up Australia

Next Friday, February 28th, is the annual Schools Clean-Up day for Clean-Up Australia. As always, our school will be playing our part in Copmanhurst. Our youngest students will clean up our school playground whilst primary kids will venture out into the village to clean up. Children will need to wear a hat and if possible bring some gardening gloves to wear. Before going out to pick up rubbish, children are reminded to leave any glass or other sharp items for teachers to pick up. A permission note will be sent home next week.

Clarence District Swimming Carnival

Today Kobi, Eligh, Rocky, Lacey, Jack, Olivia and Allen are competing in Grafton as part of the Clarence Small Schools squad at the Clarence District Swimming Carnival. At this carnival they will compete against children from the three larger Grafton schools and try to gain a place at the Mid-North Coast Swimming Carnival to be held in Coffs Harbour. We wish them all the best and know that with the sportsmanship they all display they will make us proud!

Canteen helpers

I probably should say it more... A very big **THANK YOU!** to all of our generous volunteers who work in our canteen each Monday. It is really appreciated by the kids, staff and parents and without your efforts the canteen would not run. At this time of year the canteen can be a very hot little box to work in so our P&C are currently looking at having an air-conditioner installed. They are also planning on purchasing a new oven for the canteen.

Mulch

You may have noticed the big tree behind the museum has gone. Since late last year it has been dropping some large branches and so the decision was made to remove it. I'd like to thank Vic Parnell from Vic's mowing and his team for the professional job they completed and for looking after us with the price! We now have a large pile of wood chip / mulch in the 'horse paddock' below the museum that parents and community members are welcome to take. Please help yourself but leave the fallen timber as it's been promised to someone.

Note reminders

If your child is in year 6 you should have received the 'Moving into Year7 in a NSW Government School' note so that you can select which High School they will attend next year. This needs to be returned to me at school before March 20th.

Students in Years 5&6 have been returning their notes indicating whether or not they will be attending our camp at Lake Ainsworth at the end of term 3. A few have not yet been received and need to be returned to school ASAP.

Cheers,
Andrew
