### Principal's report

#### The NED Show

Today we were treated to the NED show at school. Unlike in previous years, when we had a performer come to school, this year the show was done via Zoom from California. We learned about **Never giving up**, **Encouraging others** and **Doing our best**! The children learned about having a positive mindset and that sometimes if there is something they can't do, it may just be that they can't do it YET! We were able to have the NED show because another school sold yoyos to finance our show. Now it is our turn to buy yoyos to finance the show at another school. This is called paying it forward. Don't forget that once they arrive, yoyos can be bought from the front office over the next couple of weeks.

#### Footy Colours Day

Tomorrow is Footy Colours Day! Send the kids along wearing their favourite team's gear or in the colours of their favourite team. If they don't have a favourite footy team it could be their netball, basketball or whatever team or just in mufti! Please send along a gold coin donation which will go to the Fighting Cancer Foundation which helps to support the continued learning and education of kids with cancer whilst they are away from school receiving treatment.

#### Year 6 gala sports day

Sadly the Year 6 Gala day which was to be held tomorrow, with Year 6 students from all the Clarence schools involved, has been cancelled due to current Covid 19 restrictions.

#### Swearing

We have had some instances of swearing at school recently with a few of our students. Swearing has never been acceptable at our school. I know in some families, kids are exposed to swearing and this is unfortunate, however, just because mum or dad or older siblings do it at home does not mean it will be tolerated at school. The students have been spoken to about this and there are no misunderstandings about what is and isn't allowed at school. Please reinforce this at home.

#### Phones

Phones are not to be brought to school. Children do not need a phone at school. If you think there is a special circumstance where your child needs to have a phone at school one day, please contact me to discuss this.

Cheers,  
Andrew
