### Principal's report

#### Surfing

Our day of surfing was great fun last Friday! As usual, our students were a pleasure to take on excursion and were courteous and cooperative all day. We have already booked in a surfing day for term 1 next year and are hoping once again to be able to partially fund it through a successful Sporting Schools grant application we have submitted.

#### Sports Ability

Today we have DJ from Social Futures at school who has been engaging our infants students in wheel chair sports. Next Thursday it will be our primary students' turn in the chairs. DJ shares a clear message about being supportive and accepting of those who may be differently abled to you in a fun and exciting activity and we thank him for his time and passion.

#### Pallet Xmas tree

Thank you to everyone who loaned us some branding irons for our pallet Xmas tree. The tree will be on display in Grafton Shoppingworld for the next few weeks and shortly I will send home a link for you to vote for what you consider to be the best tree in the competition.

#### Copmanhurst Family Fun Fair

Don't forget our Family Fun Fair is coming up! It will be held on Saturday November 30<sup>th</sup>, which promises to be a great day and raise funds to be spent on our children. On the weekend before we will need some volunteers to help prepare the rodeo grounds and on the 30<sup>th</sup> we will need plenty of helpers to share the load. Please consider giving some of your time on these days. Don't assume someone else will do it! If you are able and willing to approach businesses you know to seek donations for our monster raffle, please drop into school to pick up a letter that will identify you as someone who can seek donations on the school's behalf.

## Remembrance day

I was very proud of our students who attended the Copmanhurst Remembrance Day Service on Monday. Our captains delivered the poem confidently and everyone represented our school admirably.
