### Principal's report

#### Athletics Carnival

Tomorrow is the Combined Copmanhurst and Baryulgil Athletics Carnival. We are looking forward to a great day with all students participating in long jump, shot put, high jump and discus events. Parents and carers are very welcome to join us, but please no teenage siblings as it is a school day for them and they will be attending their own school. The P&C will be running a cake stall and sausage sizzle. We would appreciate any donations of cakes, slices and biscuits that you are able to support with, and would love it if you could spare some time to volunteer to serve at the stalls. Our P&C does a wonderful job in supporting the students and school. Students are asked to wear their school shirt and own choice of shorts which are comfortable to participate in. The day will begin at approximately 9:30am.

#### Touch Football

Congratulations Lyla who represented our school at the Mid North Coast touch football trials last Thursday. Lyla was successful in gaining selection and will now attend the North Coast touch football trials later this term. We are proud of you Lyla!

#### Mid North Coast Cross Country

Our Cross Country team were amazing participants at the Mid North Coast Cross Country carnival last Friday at Woolgoolga. There were impressive individual results, true determination and one of the best displays of mateship, team spirit and sportsmanship. We are very proud of all our competitors' efforts. A very big congratulations to Logan who finished 3<sup>rd</sup> and Alexis who finished 5<sup>th</sup>. This means that Logan and Alexis have both qualified to compete at the North Coast Cross Country carnival.

#### Whole-school netball coaching

A successful Sporting Schools Grant for Term 2 means that all students will participate in four netball coaching sessions. Thanks to the Grafton Netball Academy for supporting our school's netball initiative this term by enabling a qualified netball coach to deliver the sessions.

#### NSW Public Schools Surveys

We are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours. Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which will be sent home, and return it to the school. Further information about the survey is available at <https://education.nsw.gov.au/npss>

Kind regards,

*Ashli*
