### Principal's report

#### Celebrating differences and belonging

At Copmanhurst Public School, we celebrate and role model equity and fairness for all students, no matter the differences. This helps us to all belong at our school – the kids know this as 'The Copmanhurst Way'. This is a big part of the NSW Department of Education plan. We show our commitment to differences through programs and lessons which support all our students. We make sure every student feels respected and supported, no matter their abilities, talents and potential. This term staff have been working on an initiative in the school which will enable us to ensure we are further identifying student skills and their learning potential, and teaching at point of need in the classroom – for all students. This fits in to our long term school plan and teachers will continue to work on this initiative over time.

#### Canteen

Thanks again to all the Term 2 canteen volunteers. If you can volunteer a day or two in Term 3 on a Monday to support our canteen, that would be wonderful. Please let Sandra know if you can help. Donations of cakes and slices are always welcome on Mondays for the canteen volunteers to sell, if you are unable to help on canteen days.

#### Reports

Student reports were sent home with the kids yesterday. I felt privileged to read reports from every student in the school, and felt proud of their collective achievements. Take the time to discuss your child's report with them and let them know how proud you are of them, and any areas which they can work on improving next semester. If you wish to meet with your child's teacher, please don't hesitate to reach out to the school and make a time early next term.

#### It's a 'see you around' from me

I have felt so privileged this term to be part of the Copmanhurst team. When the opportunity like this presented, it was one not to miss, and I am so glad I stepped out of my comfort zone (just like we encourage the kids to), to be able to work at Copmanhurst Public School. I have met so many new people, learnt about different ways of working in a little bit bigger school, and made some great connections in the community – both families and staff. I am fortunate to also live in this great community and I know that I am sure to run into many of you around the place! Thankyou, I have appreciated the Copmanhurst team providing this opportunity and very much enjoyed working with your children. It was awesome! Mr Patterson will be back after the holidays and I know he will have many stories to share about his holiday. Term 3 begins for students on Tuesday 22<sup>nd</sup> July 2025.

*"See you around".*

Kind regards,

*Ashli*

*National NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth. This year, NAIDOC dates are 6<sup>th</sup> to 13<sup>th</sup> July (when we are on holidays), and the theme is The Next Generation: Strength, Vision & Legacy.*
